

The Director and the Drunk

-A ship is in the bomb!

-It's a wrap, everybody!

-But I said it wrong. I...

-Outa money. Producers murderous.

-But it'll sound foolish. /'// sound..

-We have computer program: move words around.

-But even then, the intonation!

-Does that too. Not a worry.

-I have my reputation to worry...!

-Not any more. John Barleycorn took it.

-See here!

-Go AA if you wanna work again.

-I'll kill myself and it's on you!

-Obits nice. Some good work. Early.
